

# SDSU EES MS Student

Degree completion information

## Department Chair

Jessica Whiteside  
jwhiteside@sdsu.edu

## Support Staff

Heather Webb  
hwebb@sdsu.edu

General questions, supplies, lab materials,  
safety (vehicles/labs/field), research  
methods, equipment & facilities

Joan Kimbrough  
jkimbrough@sdsu.edu

Irene Occhiello  
iocchiello@sdsu.edu  
TA contracts, vehicle  
checkout, general  
administration questions,  
scheduling conflicts

## Research Advisor

Coursework, research project,  
attending conferences, funding,  
goals, research timeline,  
expectations, career

## Graduate Advisor

Academics,  
general program  
logistics, career,  
resources

Jillian Maloney  
jmaloney@sdsu.edu

### Geological Sciences MS Advising Homeroom <sup>AV</sup>

Edit

⋮

#### Department of Geological Sciences

San Diego State University

🔗

Welcome to the Geological Sciences Homeroom for Masters students!

#### Quick Links

##### Advising Appointments

🔗

This is a centralized location for Geology M.S. students to find information and resources, and connect with each other. Use the Quick Links on the left to help find what you need. For general, geology related questions, please view the [FAQ board](#) and if you don't find an answer, post your question there.

##### Career

# Unit Requirements (Total 30+ grad level units)

<b>MS Geology</b>	<b>MS Geophysics</b>	<b>MS Hydrogeology</b>
9 units 600 to 796 GEOL	2 of the following: GEOL630, GEOL690, GEOL691	GEOL675
12 approved elective units (500+ any department)	15 approved elective units	18 approved elective units
6 units GEOL797	6 units GEOL797	6 units GEOL797
3 units GEOL750 or 799A	3 units GEOL750 or 799A	3 units GEOL750 or 799A

TA unit requirement - 6 units/semester (in semester you are a TA), part time status  
 Scholarship requirements - 9 units/semester (both semesters), full time status

# Some example courses

<b>Fall 500 level</b>	<b>Fall 600 level</b>
Petroleum Geology*	Marine Geology*
Notable Historic EQs	Plasticity Theory
Hydrogeology	Advanced Notable EQs
EQ Seismology	EQ Physics I & II
Volcanology	Global Tectonics*
Seismic Interpretation*	Paleoceanography*

<b>Spring 500 level</b>	<b>Spring 600 level</b>
Geomorphology	Advanced Hydrogeology
Geochemistry	Quaternary Geology
Engineering Geology	Inverse Theory
	Tsunami Physics
	Neotectonics

\*Not every class offered every semester!

# Plan A or Plan B?

## Plan A

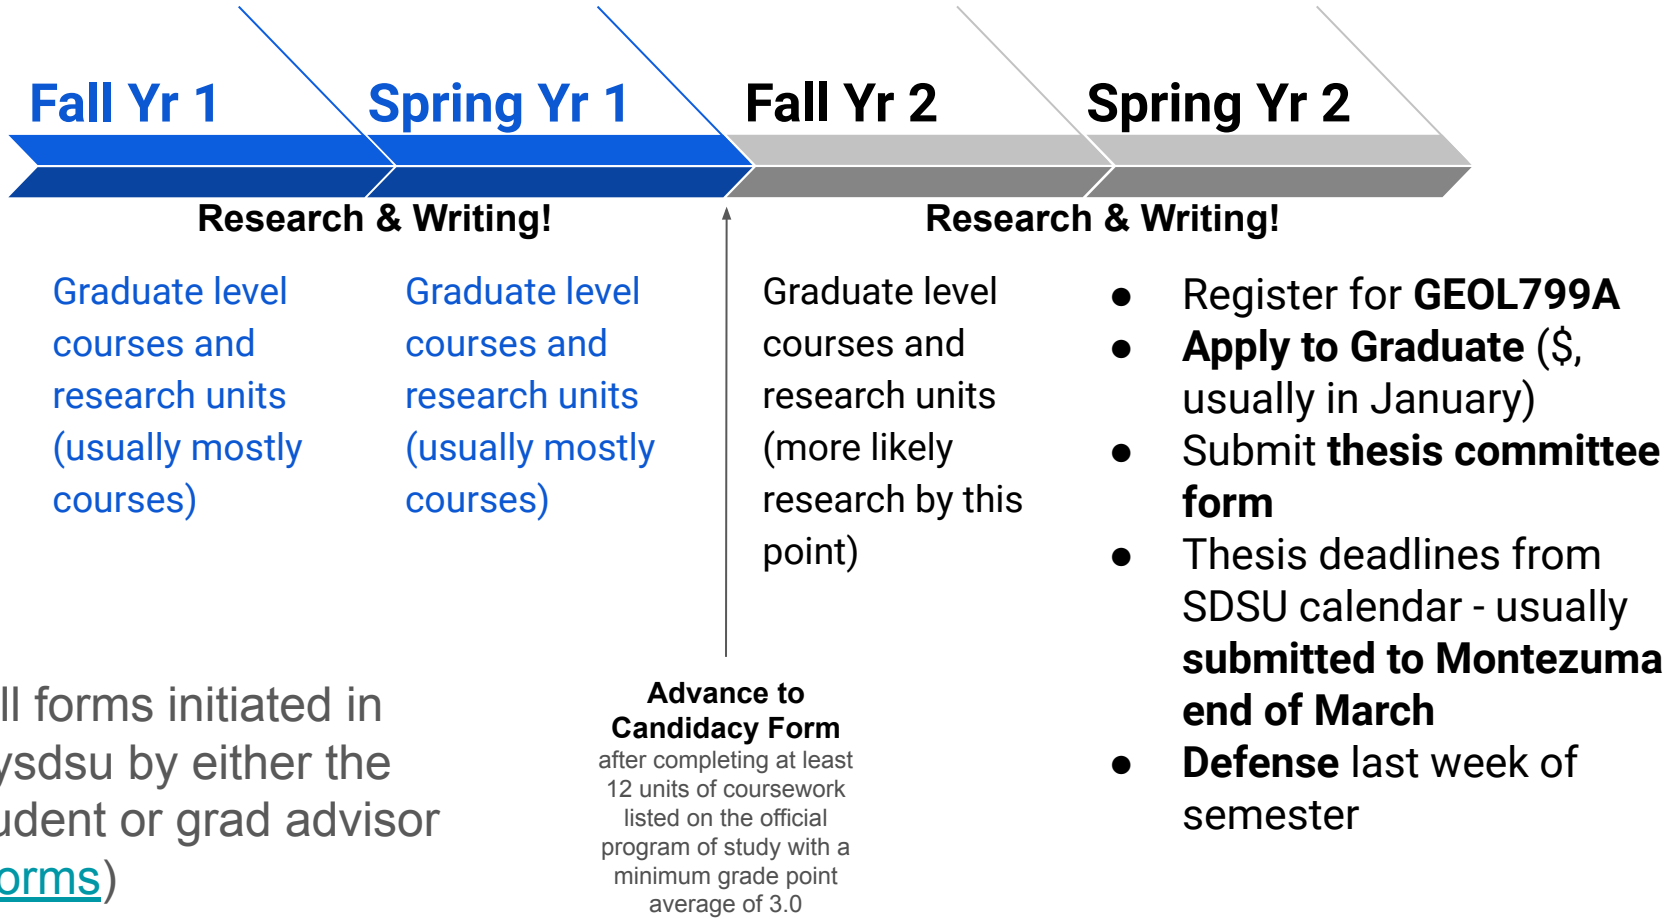

- Thesis option
  - Thesis published with Montezuma Publishing (bound hard copy, \$)
  - [Specific format requirements](#)
  - Written and electronic copies filed with the SDSU library
- Thesis committee = 2 GEOL, 1 outside
- Register for 799A in final semester (if extension is needed, register for 799B in extra semester)
- Thesis defense last week of semester

## Plan B

- Publication option
  - Paper ready to submit to a scientific journal
  - Formatted with journal requirements
  - Electronic copy filed with Department
- Thesis committee = 2 GEOL
- Register for GEOL750 in final semester (if extension is needed, 1 yr incomplete clock)
- Thesis defense last week of semester

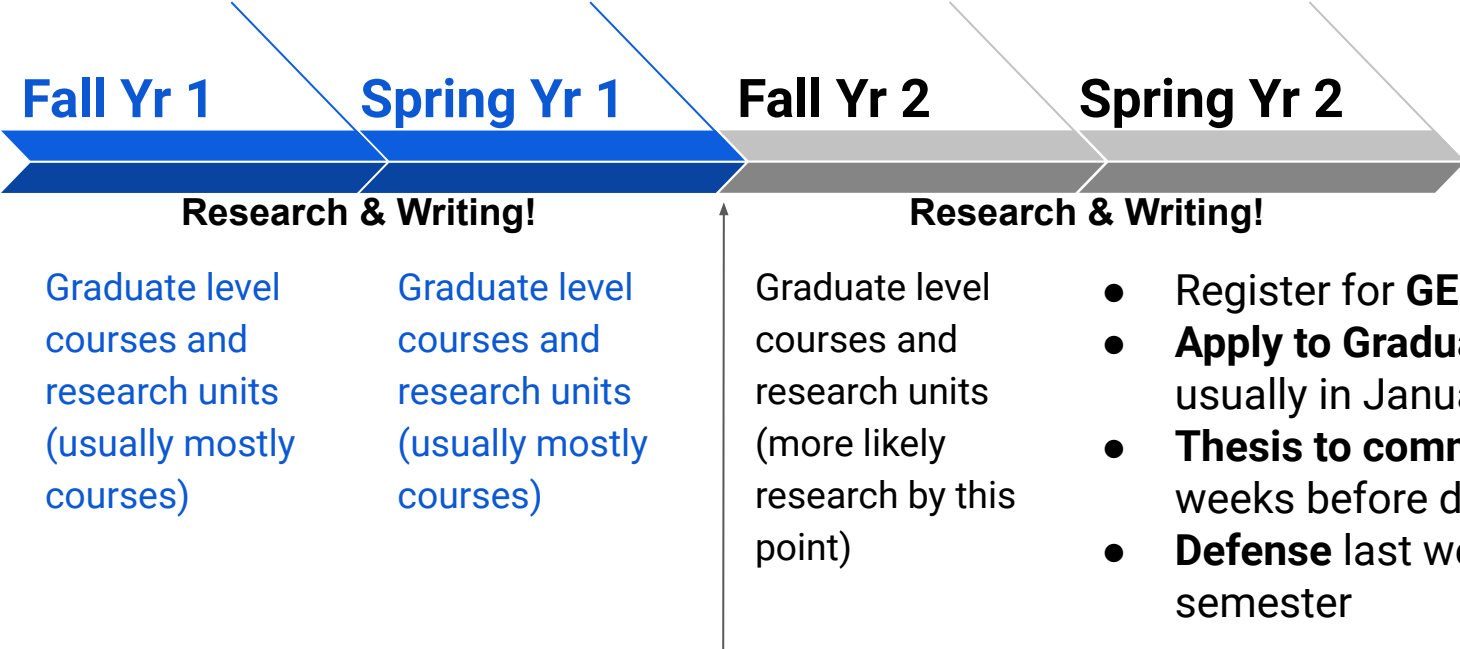

Discuss with your research advisor!

# Plan A Timeline

\*All forms initiated in mysdsu by either the student or grad advisor ([Forms](#))

# Plan B Timeline

\*All forms initiated in mysdsu by either the student or grad advisor ([Forms](#))

**Advance to Candidacy Form**  
after completing at least 12 units of coursework listed on the official program of study with a minimum grade point average of 3.0
